

2020-2021  
RE-OPENING OVERVIEW  
August 1, 2020

# PAVE is offering a choice of two different Learning Programs *for families to choose from*

## Option 1: Hybrid Learning

+

Your child would physically come to PAVE 2-3 days a week, and stay at home the other days to learn remotely.

## Option 2: 100% Remote Learning

Your child would stay at home and learn remotely each day of the week. Your child will be taught by their grade-level teacher and will have a set schedule each day.

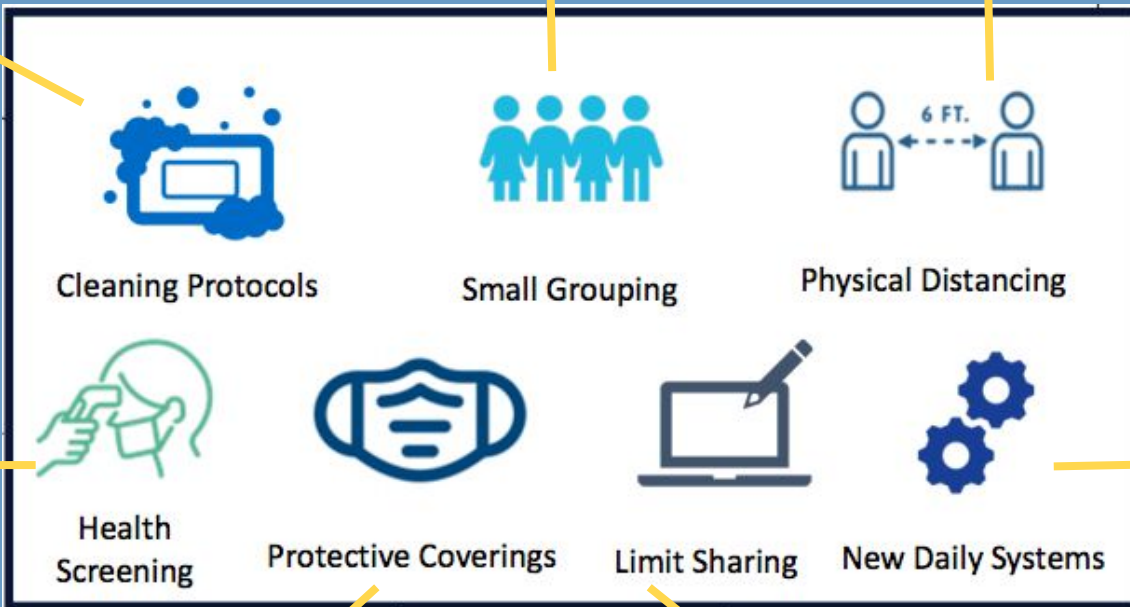

Our **# 1 Priority** is keeping  
everyone in our community **safe**  
- our students, our staff, and you

# New Health and Safety Rules

Small Classroom Size  
10 - 13 students

No Switching Classrooms

Hand Washing and  
Room Cleaning

Health Screenings  
at arrival

Changes to  
arrival, dismissal,  
lunch and recess

Facemasks required for  
students and staff

Limit sharing of school  
supplies

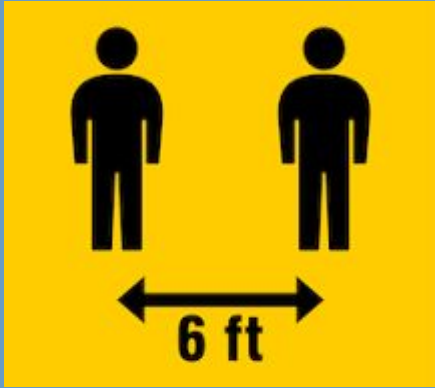

# MASKS *REQUIRED*

While at PAVE, all students and adults will be **REQUIRED** to wear a mask at all times (except when eating or drinking).

A mask with PAVE's logo will be provided to all students.

# SOCIAL DISTANCING

1. PAVE will enforce social distancing requirements for adults and students.
2. Signs and decals around the school will support students and adults with adhering to these protocols.
3. Classroom desks will be arranged at least 6 feet apart from each other.

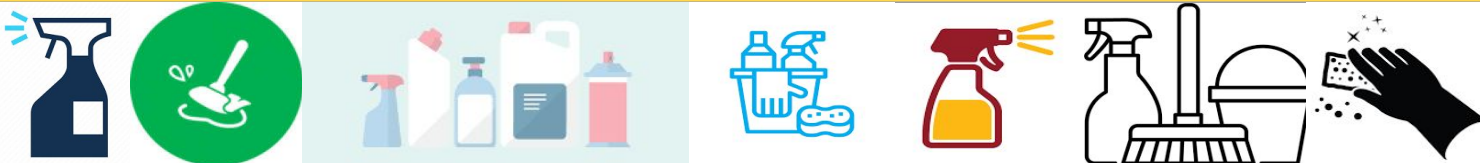

# DEDENSIFYING

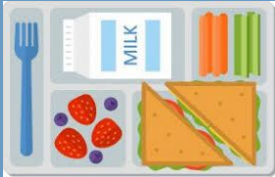

1. 30% (or less) of students will be in the building at one time.
2. Classes will be broken into pods and sizes will vary between 9-13 students depending on size of classroom.

# CLEANING & DISINFECTING

- All PAVE's Facilities Team members have been trained on proper cleaning protocols to disinfect all areas of the building.
- PAVE will be disinfected with a non-toxic solution which has been proven to kill the Coronavirus.
- Areas of the building that are frequently used and touched (bathrooms, classrooms, offices, door handles) will be cleaned multiple times a day.
- PAVE has ensured that all air filters meet standards for optimum filtration.
- Additional disinfection and cleaning procedures in place in the event of a positive Covid-19 case
