

Parents' Commitment to Excellence

As a parent to a PAVE Scholar, I fully commit to PAVE by upholding the four values as outlined below:

Perseverance – I am determined to help my child become a scholar, and I will always encourage him/her to work hard in all things regardless of how difficult it might become. I will make sure my child arrives every day on time before classes begin. I will ensure that my child attends every day of school for all of the required hours. I will attend all parent meetings and conferences scheduled for my child.

Achievement – I will support the development of my child in becoming a scholar. I will work with my child, and I will do whatever it takes for him/her to learn, including checking his/her homework every night as well as reading and signing all of the necessary paperwork each night. I will encourage my child to spend quality time studying for every test. I will help my child organize his/her schoolwork and book bag regularly. I will help my child take advantage of every moment he/she has to learn something new by: listening to them read on a regular basis, taking them to educational activities and places in the community (including the library), and constantly looking for ways to challenge them academically.

Vibrance – I will encourage my child to have fun at school and to enjoy the precious gift of education. I will encourage my child to appreciate the times when fun activities are planned. I will allow my child to go on field trips that he/she is eligible to attend. I will do my part to make PAVE a fun place to learn. I will encourage my child to actively participate in class. I will celebrate my child's success both in academics and behavior.

Excellent Character – My child and I are members of the PAVE team, and I will always support our team. I will encourage my child to respect his/her classmates in both words and actions, and will hold my child accountable when he/she disturbs the learning of other scholars. I understand that my child must follow the school's rules to protect the safety, interests, and rights of all individuals in the classroom. I am responsible for my child's behavior and I will ensure that my child comes to school every day in his/her uniform and looking like a scholar. As a member of the PAVE team, I will do my best to be involved in the school community. I will make myself available to the school and any concerns they might have. I will encourage my child to be honest, and will only assist my child with homework by helping, not doing his/her homework. I will model respectful behavior when at the school and dealing with teachers and staff.

I commit my full support to PAVE. I have read the Student Family Handbook, in entirety, and I understand PAVE Schools' Code of Conduct. I commit to ensuring my child adheres to the Code of Conduct, and I will support the school in its efforts to administer the Code of Conduct along with all other expectations communicated in the Student Family Handbook.
