PAVE Academy Charter School is seeking public input in the development of its application and programs related to the American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) fund. These federal funds are provided to assist Local Educational Agencies (LEAs) to help safely reopen and sustain the safe operation of schools in the current academic year and beyond and address the impacts of the coronavirus disease 2019 (COVID-19) pandemic on students by addressing students' academic, social, emotional, and mental health needs.

To promote accountability, transparency, and the effective use of ARP funds, PAVE Academy Charter School is soliciting public input from all stakeholders, including but not limited to:

- Parents;
- Teachers;
- Students;
- Administrators;
- School Leaders;
- Paraprofessionals;
- Specialized Instructional Support Personnel;
- Other School Personnel;
- Community Partners;
- Organizations with Demonstrated Experience;
- Community-Based Organizations;
- Local Government Representatives;
- Stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Stakeholders are asked to email [info@paveschools.org](mailto:info@paveschools.org) to provide their thoughts on PAVE's application and/or programs related to the American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) fund.

Responses received by Aug 11, 2021 will be reflected in PAVE's final ARP ESSER application.
